

Love In Store (Early Version)

Fleetwood Mac

All I know is the way that I feel
Whenever you're around
You've got a way of lifting me up
Instead of bringing me down
(Instead of bringing me down) I can't fight it anymore
Since you've been around
We've got love in store You're the only one I ever felt
Could be special to me
You look at me and I just melt
I'm scared of feeling that way I can't fight it anymore
Since you've been around
We've got love in store
