Fox on the Run

Deadsy

I don't wanna know your name
'Cause you don't look the same, the way you did before
Oh yeah, you think you got a pretty face
But the rest of you is out of place, you looked all right beforeFox on the run you scream and everybody comes
A running take a run and hide yourself away
Foxy on the run, foxy
Fox on the run and hide awayYou, you talk about just every band
But the names you drop are second hand
I've heard it all before don't wanna know your name
'Cause you don't look the same, the way you did beforeFox on the run you scream and everybody comes
A running take a run and hide yourself away
Foxy on the run, foxy
Fox on the run and hide away
