Pets

Thumpermonkey

Children are innocent
A teenager's fucked up in the head
Adults are even more fucked up
And elderlies are like childrenWill there be another race
To come along and take over for us?
Maybe Martians could do
Better than we've doneWe'll make great pets, we'll make great pets
We'll make great pets, we'll make great pets
We'll make great pets, we'll make great pets
We'll make great pets, we'll make great petsMy friend says we're like the dinosaurs
Only we are doing ourselves in
Much faster than they
Ever didWe'll make great pets, we'll make great pets
We'll make great pets, we'll make great pets
We'll make great pets, we'll make great pets
We'll make great pets, we'll make great petsWe will make great pets, we'll make great pets
We'll make great pets, we'll make great pets
We will make great pets, we'll make great pets
We'll make great pets, we'll make great pets
