

Fight This Feeling (feat. Beres Hammond)

Shaggy

Give it to me, do it to me, give it to me
Don't stop, don't stop, don't stop, don't stop, no
The way you make me feel
From deep down in my soul
I'm losing all control
Girl I can't fight this feeling
It feels so right
Champagne and candlelight
The way you hold me tight
Girl I can't fight this feeling
Woman you're nice
Smile 'pon your face it's like you bright up all mi night
Girl mi can't wait fi give you everything you like
Love you from the day you grace mi sight
I gurantee you'd be satisfied
Don't be afraid to break the rules
On to better things so tell the little man fi cool
Thank mi lucky star I can't believe I found a jewel
Man dem all ah spot you an a drool
So mek dem know say that me have the tool
The way you make me feel
From deep down in my soul
I'm losing all control
Girl I can't fight this feeling
It feels so right
Champagne and candlelight
The way you hold me tight
Girl I can't fight this feeling
Woman you bring di niceness
Priceless, gyal you have the place
Boasie, hard fi get, yes I love the chase
You know say
No bag a man can come call ya name
All weh a gwan a you mi claim
Woman ya body tight, hotter
Woman you're really blessed
Polite, proper, cut above the rest
You are my darlin' empress
That's why ah, girl I confess
Passion, passion, dance and you smile you

Gimme more gimme more, more more more more yes

Hey Miss Kisses, am I gonna grant you your wishes
And you can bet on your four-leaf clover
I'm gonna love you, over and over anThe way you make me feel
From deep down in my soul

Girl I can't fight this feeling
It feels so right
Champagne and candlelight
The way you hold me tight
