

Lingerie Candlewax

Mayer Hawthorne

Can't live with you anymore
Can't live with no one else
Drinkin' at two in the morn
And I just can't help myself Angel on my shoulder said hold up
Don't touch it
So torn up
LeToya Lockett, fuck it
We grown up
Don't hide it
I got somethin' rolled up
And we gon' light it, united
And then we Smokin' in the cadillac
Take a hit, pass it back
Starts with this and ends with that
Lingerie & candle wax
I know
I shouldn't worry about it
But I don't want
Wanna live without it Can't live with you any more
Can't live with no one else
Drinkin' at two in the morn
And I just can't help myself Devil on my shoulder said go on
You can have it
Just pick the phone up
Reach out and grab it, damn it
We grown up
Don't hide it
Got somethin' rolled up
And we gon' light it, united
And then we Smokin' in the cadillac
Take a hit, pass it back
Starts with this and ends with that
Lingerie & candle wax
I know
I shouldn't worry about it
But I don't want
Wannna live without it You know what I need, babe
You know what I need, babe Smokin' in the cadillac
Take a hit, pass it back

Starts with this and ends with that
(You know what I need, babe)
Smokin' in the cadillac
Take a hit, pass it back
Starts with this and ends with that
(You know what I need, babe)
Smokin' in the cadillac
Take a hit, pass it back
Starts with this and ends with that
(You know what I need, babe)
Smokin' in the cadillac
Take a hit, pass it back
Starts with this and ends with that
