I've been around this world and made a circle back to home,

Lovin' is as lonesome as the home place when your gone,

C

I know a lot of secrets and I share 'em with the kids,

Like why their grandpa hangs around one after one again,

CHORUS:

If I ever get home I'll never leave again,

I'll sit around and dream about the places that I've been,

Pet the dog, feed the birds and visit with my friends,

If I ever get home you'll know I'll never leave again,

FIDDLE / MANDOLIN: G C G D C G C G D G

Lookin' out the backdoor I can see the roses bloom,

They are standin' in the field where they got lots of room,

I'll take my old fishin' pole down by the river bend,

Pull 'em out and turn 'em loose and catch 'em once again,

CHORUS: BANJO:

I've got an extra rockin' chair on that front porch of mine,

I've got a million friends who'll come and see me anytime,

Pickin' on my banjo out there rockin' in the breeze,

Iâ€™ll unpack my suitcase and Iâ€™ll live the way I please,

CHORUS: FIDDLE: C G C G D G
