Forever & Always

A Rocket To The Moon

once upon a time
i believe it was a Tuesday
when i caught your eye
we caught onto something
ill hold onto the night
you looked me in the eye
and told me you loved me
were you just kidding?
cause it seems to me
this thing is breaking down
we almost never speak
i don't feel welcome anymore
baby what happened? please tell me
cause one second it was perfect
now you're halfway out the door
and i stare at the phone
he still hasn't called
and then you feel so low
you cant feel nothing at all
flashback to when he said
forever and always
and it rains in your bedroom
everything is wrong
it rains when you're here
it rains when you're gone
cause i was there when you said
forever and always
was i out of line?
did i say something way too honest?
made you run and hide
like a scared little boy
i looked into your eyes
thought i knew you for a minute
now im not so sure
so heres to everything
coming down to nothing
heres to silence
that cuts me to the core

where is this going?

thought i knew for a minute
but i don't anymore
and i stare at the phone
he still hasn't called
and then you feel so low
you cant feel nothing at all
flashback to when he said
forever and always
it rains in your bedroom
everything is wrong
it rains when you're here
it rains when you're gone
cause i was there; when you said
forever and always
you didn't mean it baby
i don't think so
oh oh oh
back up baby back up
did you forget everything?
[2x]it rains in your bedroom
everything is wrong
it rains when you're here
it rains when you're gone
cause i was there when you said
forever and always
and i stare at the phone
he still hasn't called
and then you feel so low
you cant feel nothing at all
flashback to when you said
forever and always
it rains when you're here
it rains when you're gone
cause i was there when you said
forever and always
you didn't mean it baby
you said forever and always
yeah
