

# Forever & Always

## A Rocket To The Moon

once upon a time  
i believe it was a Tuesday  
when i caught your eye  
we caught onto something  
ill hold onto the night  
you looked me in the eye  
and told me you loved me  
were you just kidding?  
cause it seems to me  
this thing is breaking down  
we almost never speak  
i don't feel welcome anymore  
baby what happened? please tell me  
cause one second it was perfect  
now you're halfway out the door  
and i stare at the phone  
he still hasn't called  
and then you feel so low  
you cant feel nothing at all  
flashback to when he said  
forever and always  
and it rains in your bedroom  
everything is wrong  
it rains when you're here  
it rains when you're gone  
cause i was there when you said  
forever and always  
was i out of line?  
did i say something way too honest?  
made you run and hide  
like a scared little boy  
i looked into your eyes  
thought i knew you for a minute  
now im not so sure  
so heres to everything  
coming down to nothing  
heres to silence  
that cuts me to the core

where is this going?  
thought i knew for a minute  
but i don't anymore  
and i stare at the phone  
he still hasn't called  
and then you feel so low  
you cant feel nothing at all  
flashback to when he said  
forever and always  
it rains in your bedroom  
everything is wrong  
it rains when you're here  
it rains when you're gone  
cause i was there; when you said  
forever and always  
you didn't mean it baby  
i don't think so  
oh oh oh  
back up baby back up  
did you forget everything?  
[2x]it rains in your bedroom  
everything is wrong  
it rains when you're here  
it rains when you're gone  
cause i was there when you said  
forever and always  
and i stare at the phone  
he still hasn't called  
and then you feel so low  
you cant feel nothing at all  
flashback to when you said  
forever and always  
it rains when you're here  
it rains when you're gone  
cause i was there when you said  
forever and always  
you didn't mean it baby  
you said forever and always  
yeah
