

Sneakin' Sally Thru the Alley

Phish

Sneakin' Sally through the alley
Sneakin' Sally through the alley
 Try to keep her out of sight
Sneakin' Sally through the alley
 When up pops the wife

Well if you can't find somethin' wrong with
 Your mind you better
You better find somethin' wrong with hers

As I began to try to explain
 It just wasn't
Just wasn't what you thought

Sneakin' through the alley with Sally
 Try to get away clean

Try to talk double talk get yourself in trouble talk
 Catching yourself alive
 Catch yourself alive

Momma just look at me just like I was crazy
 She didn't even bat an eye

As I began to try to explain
 That just wasn't
Just wasn't what you thought

Sneakin' through the alley with Sally
 Sneak out

Sneakin' Sally through the alley
Sneakin' Sally through the alley

Well I can't find nothing wrong with being friends
 'Cause sometimes
 She lets me use her car

As I began to try to explain
 That just wasn't

Just wasn't what you thought

Sneakin' through the alley with Sally

Sneakin' Sally through the alley
Sneakin' Sally through the alley
