New Life

Eiffel 65

Baby, I Need A Miracle, I'm Searching
To Find A Way Into A New Life
And I'm Moving, Out Of The Chances I Gave Up
I Can, Discover New LifeBaby, It's An Emergency, I'm Saying
I'm Only Trying To Survive That's Why I'm Moving
I've Got The Power To Make It
I Found, A Brand New LifeBaby, I Need A Miracle, I'm Searching
To Find A Way Into A New Life
And I'm Moving, Out Of The Chances I Gave Up
I Can, Discover New LifeBaby, It's An Emergency, I'm Saying
I'm Only Trying To Survive That's Why I'm Moving
I've Got The Power To Make It
I Found, A Brand New LifeIt's An Emergency
Please Help Me Baby
