

# Martial Law

## Exciter

Ashes to ashes, dust to dust  
Martial law is ready to strike  
Tyrants bleed from the dead man's blood  
Soldiers march, they're doomed to die... LAW!  
Martial Law  
Martial Law  
Martial, Martial  
Law! Law! Law! Law!!!!!!  
Rebels wake in altered states  
Defenders guilt of the master plan  
The rage of violence is under siege  
Battles roar of darkened Metal... LAW!  
Martial Law  
Martial Law  
Martial, Martial  
Law! Law! Law! Law!!!!!!  
(SOLO)  
Ashes to ashes, dust to dust  
Martial law is ready to strike  
Tyrants bleed from the dead man's blood  
Soldiers march, they're doomed to die... LAW!  
Martial Law  
Martial Law  
Martial, Martial  
Law! Law! Law! Law!!!!!!
