Defying Gravity

Kerry Ellis

Something has changed within me
Something is not the same
I'm threw within playing by the rules of someone else's game
To late for second guessing
To late to go back to sleep
It's time to trust my instincts
close my eyes and leap!

It's time to try defying gravity
kiss me goodbye
I'm defying gravity
and you wont bring me down!

I'm threw excepting limits
cause someone says there so
somethings I cannot changed
But till I try Ill never know!
too long I've been afraid of
losing love I guess I lost
Well if that's love it comes back
much to high a cost!

I'd sooner buy defying gravity
I'm way up high!
I'm defying gravity
kiss me goodbye
I'm defying gravity
and you wont bring me down

Unlimited
My future is unlimited
and I just had a vision
almost like a prophecy
I know it sounds truly crazy
and true the vision hazy
but I can see it
I can feel it
I swear I'll be so high

So if you can't find me

look to the western sky
has someone turned there lately
Everyone deserves a chance to fly
and If I'm flying solo
at least I'm flying free
To those who crown me
take a message back for me

It's time to fly defying gravity
I'm way up high!
I'm defying gravity
kiss me goodbye
I'm defying gravity
and you wont bring me
you wont bring me down!!!!
