The Prodigy's World

Ayreon

[Mother:]
Talk to me[Prodigy:]
I know you're there, but I won't see you
I hear your voice but it can't reach me[Mother:]
Let me in[Prodigy:]
It all seems so trivial
In the scheme of things[Mother:]
Talk to me[Prodigy:]
I feel your touch but it can't move me
I hear your words but they confuse me[Mother:]
Let me in[Prodigy:]
It all comes to nothing
In the scheme of thingsPatterns emerge in nature's dance
Numbers are born in the wheel of chance
Why do I see this?
What does it mean to me?A grand design in all its majesty
Vibrating strings, quantum gravity
Why was I chosen?
What does it mean to me?
Tell me why!
