Love Letters

Diana Krall

The sky may be starless, the night may be moonless
But deep in my heart, there's a glow
For deep in my heart, I know that you love me
You love me, because you told me soLove letters straight from your heart
Keep us so near while we're apart
I'm not alone in the night
When I can have all the love you writeI memorize every line
I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heartI memorize every line
I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart
