

# Sleep

## The Dodos

Recall, a means to conjure you up  
Your welcome awhile now  
Begone, this one too proud to love  
Too careful to send you off I cannot sleep  
I cannot think  
I cannot dream This kid, grotesques the paintings proof  
That someones created  
He knows, not what he thinks to lose  
Too stable to lend you off I cannot sleep  
I cannot think  
I cannot dream
