

Crank It Up

Hadouken!

Lyrics to Crank It Up :

Crank it up!

If you're by the stereo yo I'm telling you to

Whack that up!

And even if you're not can you please make sure that you

Get the fuck up!

No joking around I'm telling you

Show some love!

Please can you show some Love

If you're there for the moment

If you're up for the ride

Crank it up!

If you're by the stereo yo I'm telling you to

Whack that up!

And even if you're not can you please make sure that you

Get the fuck up!

No joking around I'm telling you

Show some love!

Please can you show some love
