

Upon Still Waters

Cowboy Junkies

(A curly blonde disaster
Lying out there)He said, "you make me feel
As desired as a crackling fire."
She said, "I saw a man out walkingUpon still waters(I want to lie beside you
In a warm bed
Feel your heart
Beat in my throat.)And no one stopped to stare
There he was all, aloneOut walking upon still waters."He said, "you can feel it fall
All at once upon the land."
She said, "you don't know what you've missedUntil you've walked upon still waters."(A curly blonde disaster)
