

These Words (I Love You, I Love You)

Natasha Bedingfield

These words are my own

Threw some chords together
The combination D-E-F
It's who I am, it's what I do
And I was gonna lay it down for you
I try to focus my attention
But I feel so A-D-D
I need some help, some inspiration
(But it's not coming easily)
Whoa oh

Trying to find the magic
Trying to write a classic
Don't you know,
Don't you know, don't you know?
Waste-bin full of paper
Clever rhymes, see you later

These words are my own
From my heart flow
I love you, I love you,
I love you, I love you
There's no other way
To better say
I love you, I love you

Read some Byron, Shelley and Keats
Recited it over a Hip-Hop beat
I'm having trouble saying what I mean
With dead poets and drum machines
I know I had some studio time booked
But I couldn't find a killer hook
Now you're gonna raise the bar right up
Nothing I write is ever good enough

These words are my own
From my heart flow
I love you, I love you,
I love you, I love you

There's no other way
To better say
I love you, I love you

These words are my own
From my heart flow
I love you, I love you,
I love you, I love you
There's no other way
To better say
I love you, I love you

I'm getting off my stage
The curtains pull away
No hyperbole to hide behind
My naked soul exposes
Whoa, oh, oh, oh
Whoa, oh

Trying to find the magic
Trying to write a classic
Waste-bin full of paper
Clever rhymes, see you later

These words are my own
From my heart flow
(Don't you know)
I love you, I love you,
I love you, I love you
There's no other way
To better say
I love you I love you

These words are my own
From my heart flow
I love you, I love you,
I love you, I love you
There's no other way
(There's no better way)
To better say
I love you I love you

These words are my own
They're from my heart
I love you, I love you
That's all I got to say,

Can't think of a better way

And that's all I got to say

I love you, is that okay
