Love Lost

The Temper Trap

Our love was lost
But now we've found it
Our love was lost
And fast the hope was gone
Our love was lost
But now we've found it
And if you flash your heart
I won't deny it
I promise
I promise
Your walls are up
Too cold to touch it
Your walls are up
Too high to climb
I know it's hard

But I can still hear it beating
So if you flash your heart
I won't mistreat it
I promise
I promise
Our love was lost
In the rubble are all the things
That you've, you've been dreaming of
Keep me in mind
When you're ready
I am here
To take you every time
Oh our love was lost
Lost, lost, lost, lost....
Our love was lost
But now its found
