

# Intervention

## Jakalope

Why do you  
Drive me crazy  
This disturbing  
Cemetary  
Where you had  
To go unbury  
You brought it up  
So listen carfullyPrick the needle and  
Let the ink in  
Watch it sink in  
Under my skin  
Drivin' me crazyYou think that  
I'd have thicker skin  
Since you're underneath it  
But I'm paper thinPrick the needle and  
Let the ink in  
Watch it sink in  
Under my skin  
Drivin' me crazyYou don't know  
What makes me tick  
I almost forgot  
That you existPrick the needle and  
Let the ink in  
Watch it sink  
Under my skin  
Drivin' me crazy  
Intervention [X2]
