Body Rock

Fifth Harmony

I'm dancing in the rain
'Cause there's a fire burning deep inside for you
I'm locked into your chain
'Cause I'm addicted to the way your body movesOh my heart racing and my temperature is blazing through the roof
And I'm tired of this charade
'Cause I can't hide the way I'm feeling over youI'm overwhelmed I might
as well stay underneath the spell you put on me
And when you touch me I can feel it in my veins like electricityAll day I'm only thinking 'bout you
All day you got me going baby always
I love the way your body rocks when we rock you rock with me
Body rock, body rock, you rock with me
See this is how real love supposed to be
Body rock, body rock, you rock with me
(Say) this is how real love supposed to be
Body rock
I'm dancing in the rainÂ
'Cause there's a fire burning deep inside for you
I'm locked into your chainÂ
'Cause I'm addicted to the way your body movesOh my heart racing and my temperature is blazing through the roof
And I'm tired of this charade cause
I can't hide the way I'm feeling over youI'm overwhelmed I might as well stay underneath the spell you put on me
And when you touch me I can feel it in my veins like electricityAll day I'm only thinking 'bout you
All day you got me going baby always
I love the way your body rocks when we rock you rock with me
Body rock, body rock, you rock with me
See this is how real love supposed to be
Body rock, body rock, you rock with me
(Say) this is how real love supposed to be
Body rockAnd it makes no sense at all
How your love takes me off the wall
And it makes my body rockAll day I'm only thinking 'bout you
All day you got me going baby always
I love the way your body rocks when we rock you rock with me
Body rock, body rock, you rock with me
See this is how real love supposed to be
Body rock, body rock, you rock with me

(Say) this is how real love supposed to be
Body rockPut your hands up in the air
Put your hands up in the air
Put your hands up in the air
Put your hands up in the air
Put your hands up in the air
Put your hands up in the air
Put your hands up in the air
Put your hands up in the air
Body rock
