

# I Need A House

Marie Serneholt

Finding me, finding truth  
Finding love in a changing world  
Finding peace, in simplicity  
Finding out where I come from  
Finding curage, finding faith  
Finding acceptance in a narrow space  
Finding time, when time has gone  
Finding out what's going on  
I need a house, I need a room  
I need a bed to sleep in  
I need a coffee and a kitchen sink  
I need a friend, I need a love, I need someone  
Who'll miss me  
When I get home  
Don't wanna be all alone  
Finding the gate, finding the dorr  
finding the streets I used to walk before  
When I was free, when I could see  
When I was crazy  
I wish somebody told me

I need a house, I need a room  
I need a bed to sleep in  
I need a coffee and a kitchen sink  
I need a friend, I need a love, I need someone  
Who'll miss me  
When I get home  
Don't wanna be all alone  
I wonder, what about reality  
I wonder who'll be starting at me  
When I look into my mirror  
mmm mmm mmm  
I need a house, I need a room  
(I need a bed to sleep in!)

I need a coffee and a kitchen sink  
I need a friend, I need a love, I need someone  
Who'll miss me  
When I get home  
Don't wanna be all alone
