

Loaded

American Supermodel

Verse

Everybody knows I have a motive
To see you with me I don't think you notice
Wherever you go, you get a new reaction
It's just a fraction, not the same affair

Chorus

I'm so loaded I'm just floating now

I'm so loaded I'm just freaking out

Verse

Everybody says I should lose the show

But it gives me something to do, do what I know

Just a couple of drinks, hey I'm ready to go

The tone of the phone, when you call me man
Chorus
It's so easy you will find the drinks they please me every
time

I'm so loaded, I'm so loaded now

Solo

I'll tell you one day you're all that I need

And I'll tell you someday you're all that I see

I got so loaded, I got so loaded, got so loaded, yeah yeah yeah

Chorus
