

Hold the Line

Jack Eliza

Come and watch your curtain rise
Just in time for us too high
Do you wanna see my girl?
We can have the all-boy slot
Only can we go so far
Take them down and raise our glassHOLD IT RIGHT THERE
Do you wanna keep me on the line?
HOLD IT RIGHT THERE
Call the operator
Come and watch the oil change dry
Wait until the time comes higher
We'll be playing in an old man's world
Picking flowers off a corner storeHOLD IT RIGHT THERE
Do you wanna keep me on the line?
HOLD IT RIGHT THERE
Call the operatorHOLD IT RIGHT THERE
Do you wanna keep me on the line?
HOLD IT RIGHT THERE
Call the operatorOnly this road lasts that long
Till you find you're the only one
Only this road lasts that long
Till you find you're the only one
HOLD IT RIGHT THERE
Do you wanna keep me on the line?
HOLD IT RIGHT THERE
Call the operator
