

I Indeed Can See

The Naked Brothers Band

I indeed, I indeed can see
I indeed, I indeed can see
But the question is can you see me
But the question is can you see me
I indeed, I indeed can see
I indeed, I indeed can see
Everything will be alright
Everything will be ok
Just gotta hold on tightly
Just gotta stay with the group
I indeed, I indeed can see
I indeed, I indeed can see
I indeed, I indeed can see
I indeed, I indeed can see
But the question is can you see me
Yes the question is can you see me ohhh
I indeed, I indeed can see
I indeed, I indeed can see

I indeed, I indeed can seeee
I indeed, I indeed can seeee
I indeed, I indeed can see
I indeed, I indeed can seeeee
I indeed, I indeed can see
I indeed, I indeed can see ohhh
I indeed, I indeed can seeee
I indeed, I indeed can see yeah
I indeed, I indeed can see ohhh
I indeed, I indeed can seeee
I indeed, I indeed can see yeah
I can see
I indeed, I indeed
I indeed, I indeed
I indeed, I indeed
I indeed, I indeed
I indeed, I indeed
I indeed, I indeed
