Trouble Man

Mabel Mercer

No weapon formed against me shall prosperI come up hard but never cool
I didn't make it sure playin' by the rules
I've come up hard baby, now I'm fine
I'm takin' trouble, shootin', movin' down the lineI come up hard, babe
But that's okay
Trouble man, don't get in my way, heyI've been some places and I've seen some faces
That got the connections, they take my directions
Where people say, that's okay
They don't bother me, noI'm ready to make it, don't care 'bout the weather
Don't care 'bout no trouble, got myself together
Feelin' the kinda protection
That's all around meI've come up hard
Had to fight, had to win
Just a girl in a man's world
Don't want no trouble
Just a girl in a man's world
Don't want no trouble, no
Don't want no trouble
Thinkin' 'boutI've been some places and I've seen some faces
That got the connections, they take my directions
Where people say, that's okay
They don't bother me, noI'm ready to make it, don't care 'bout the weather
Don't care 'bout no trouble, got myself together
Feelin' the kinda protection
That's all around meI've come up hard
Had to fight, had to win, thinkin' 'bout
Just a girl in a man's world
Don't want no trouble
Just a girl in a man's world
Don't want no trouble, no
Just a girl in a man's world
Bad news don't bother me, no no no
