

I Like It Rough

Lady Gaga

Your love is nothing I can't fight
Can't sleep with the man who dims my shine I'm in the bedroom with tissues and when
I know you're outside banging that I won't let you in
'Cause it's a hard life with love in the world
And I'm a hard girl, loving me is like chewing on pearls You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough
I, I like it rough Won't go without my fix tonight
It's a little too rough
Prom girl wipes her tears with silver lines
And she can't get enough I'm in the bedroom with tissues and when
I know you're outside banging that I won't let you in
'Cause it's a hard life with love in the world
And I'm a hard girl, loving me is like straightening curls You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough
I, I like it rough I'm shiny and I know it
Don't know why you wanna blow it
Need a man who likes it rough
Likes it rough, likes it rough I'm shiny and I know it
Don't know why you wanna blow it
Need a man who likes it rough
Likes it rough, likes it rough Is it because you don't mean it?
Or because I don't feel it?
Yes, it's rough Is it because you don't mean it?
Or because I don't feel it?
Yes it's rough You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough You've got me wondering why

I, I like it rough
I, I like it rough
I, I like it rough You've got me wondering why
I, I like it rough
I, I like it rough
I, I like it rough
