So, that's how it goes
When I dive down so fast
I don't know
Half the time I see
You come come so fast
Toward me

You look like hell
But you taste like snow
You are fast
But I am slow
Do what you want
But you don't have to go
Did you ever think that I--
Do you ever think that I--

Hey, does it show
When you come up so fast
I didn't know
Hey, it's how you seem
When you suck, suck
So hard you swallow me

You look like hell
But you taste like snow
You are fast
But I am slow
Do what you want
But you don't have to go
Do you ever think that I--
Do you ever think that I--

Hey, it's how it feels
When I come, come so fast
It's standing here
Hey, it's how it feels
When I come, come so fast
Just swallow me, please
