

Lean Onto You

Satanic Surfers

The way you look at me with your thoughtful blue eyes makes my heart smile and the sound of your sweet,
Unrestrained laughter fills my whole world with joy
It feels so good having you around,
You cheer me up when I feel down,
I can lean onto you You support me in everything I do,
When I give up you give me hope and I hope one day I'll find a way to show you how much you mean to me It
feels so good having you around, You cheer me up when I feel down,
I can lean onto you I think it's long and it's
Simple the proximity, I think it's long and it's
Complex inclusively When I feel down I can lean onto you (x3)
(x2) (Lean onto you)
When I feel down I can lean onto you (x2)
