

# Golden

## Amanda Bergman

Waiting only for time to be here again  
Time (that wanted more?), gotta set to pretend  
For a second of golden  
I feel the forest as it blows, I feel I had it close  
Got to be a warrior within, for a second of golden  
Got to pretend, for a second of goldenTime I keep forgetting my mind  
We don't fall with -- between our ---?Was kind of calling to say the things I didn't replace  
I don't want him more than anybody (---?)  
For a second of golden, got to pretend, for a second of golden  
And with time, I get on my ---  
We never fall ----  
Hoping for love, you're still on my mind  
Said we never thought of a time to be home tonight  
And I keep falling -----, I keep forgetting my nerve  
Feeling --- in the front of my chest keep on get it hurtWant to say I love, just a little thing, got to-- again  
For a second of golden, got to pretend for a second of golden  
Waiting --  
I'm wild but waiting, I'm tired of being stuck behind  
Trying to heal all the time, but I won't keep forgetting my nerves  
Thought I would know you but -----
