Decoded

Ventral

How can I decide whatâ€™s right
When youâ€™re clouding up my mind?
I canâ€™t win
Your losing fight
All the time

You cant ever own whatâ€™s mine
When youâ€™re always taking sides
But you wonâ€™t take away my pride
No, not this time
Not this time

How did we get here?
Well I used to know you so well
Well How did we get here?
Well I think I know

The truth is hiding in your eyes
And itâ€™s hanging on your tongue
Just boiling in my blood
But you think that I canâ€™t see
What kind of man that you are
If youâ€™re a man at all
Well, I will figure this one out
On my own
(Iâ€™m screaming, â€œI love you soâ€•)
On my own
(but My thoughts you canâ€™t decode)

How did we get here?
well I used to know you so well, yeah
How did we get here?
Well, I think I know

Do you see what weâ€™ve done?
Weâ€™ve gone made such fools
Of ourselves
Do you see what weâ€™ve done?
Weâ€™ve gone made such fools
Of ourselves

yeah!

How did we get here?
well I used to know you so well, yeah! yeah!
well How did we get here?
well I used to know you so well
I think I know
I think I know

There is something I see in you
It might kill me
I want it to be true
