

# Superman

## The Academy Is...

I am  
(I am)  
I am Superman  
And I know what's happening  
I am  
(I am)  
I am Superman  
And I can do anything  
You don't really love that guy  
You're making with now, do ya?  
I know you don't love that guy  
'Cause I can see right through ya  
I am  
(I am)  
I am Superman  
And I know what's happening  
I am  
(I am)  
I am Superman  
And I can do anything  
If you go a million miles away  
I'll track you down girl  
  
Trust me when I say  
I know the pathway to your heart  
If you go a million miles away  
I'll track you down, girl  
Trust me when I say  
I know the pathway to your heart  
I am Superman  
And I know what's happening  
I am  
(I am)  
I am Superman  
And I can do anything  
I am  
(I am)  
I am Superman  
And I know what's happening

I am  
(I am)  
I am Superman  
And I can do anything
