Sunday Morning

The Velvet Underground

Sunday mornin', praise the dawnin'
It's just a restless feelin', by my side
Early dawnin', Sunday mornin'
It's just the wasted years so close behindWatch out, the world's behind you
There's always someone around you, who will call
It's nothin' at allSunday mornin' and I'm fallin'
I've got a feelin', I don't want to know
Early dawnin', Sunday mornin'
(Early dawnin')
It's all the streets you crossed, not so long agoWatch out, the world's behind you
There's always someone around you, who will call
It's nothin' at allWatch out, the world's behind you
There's always someone around you, who will call
It's nothin' at allSunday mornin'
Sunday mornin'
Sunday mornin'
Sunday mornin'
