

# Grapes

## Marijuana Deathsquads

I'll see you foreverChorus  
Every time you look my way  
I just have to get up and say I love you  
I love you  
Forever and ever and ever  
I can't know why you have left me  
Standing all alone, heyEvery time you look my way  
I just have to get up and say  
I love you  
Every time you look my way  
I just have to get up and say I love you  
I'll be waitingChorus
