

July

Caroline's Spine

Wanting you beside myself
Cause I feel like this for no body else
I used to wonder what its like inside your mind
I thought I was over this When did I notice July
It hits you and eats you from inside
But remembering you won't care
But it will give me peace of mind to say I'm sorry I feel like this another way
Found myself pray for your better days
I used to wonder what its like inside your mind
I thought I was over this When did I notice July
It hits you and eats you from inside
But remembering you won't car
But it will give me peace of mind to say sorry Wanting you beside myself
I feel like this for nobody right yes
To understand and shine your light
Deep down I thought I was right
Until I So I feel like I'm a day away
With destiny calling me strong To understand and shine your light
Deep down I thought I was right
Until I Noticed July
It hits you and eats you from inside
But remembering you won't car
But it will give me peace of mind to say sorry Until I Noticed July
I noticed
But remembering you won't car
But it will give me peace of mind so I'm sorry
