Yesterday Once More

Cinerama

When I was young I'd listen to the radio
Waiting for my favourite songs
When they played I'd sing along
It made me smileThose were such happy times
And not so long ago
How I wondered where they'd gone
But they're back again
Just like a long lost friend
All the songs I loved so well
Every sha-la-la-la
Every woah-wo still shines
Every shing-a-ling-a-ling
That they're starting to sing's so fine
When they get to the part
Where he's breaking her heart
It can really make me cry
Just like before
It's yesterday once moreLooking back on how it was in years gone by
And the good time that I had
Makes today seem rather sad
So much has changedIt was songs of love
And I would sing to them
And I'd memorize each word
Those old melodies
Still sound so good to me
As they melt the years away
Every sha-la-la-la
Every woah-wo still shines
(All the oldies but goodies)
Every shing-a-ling-a-ling
That they're starting to sing's so fine
All my best memories
Come back clearly to me
Some can even make me cry
Just like before
It's yesterday once more
