

Rainbow Veins

Owl City

High rise, veins of the avenue
Bright eyes and subtle variations of blue
Everywhere is balanced there like a rainbow above you
Street lights glisten on the boulevard
And cold nights make staying alert so hard
For heaven's sake, keep me awake
So I won't be caught off guard
Clearly I am a passerby but I'll find a place to stay
Dear pacific day, won't you take me away?
Small town hearts of the New Year
Brought down by gravity, crystal clear
City fog and brave dialog converge on the frontier
Make haste, I feel your heartbeat
With new taste for speed, out on the street
Find a road to a humble abode where both of our routes meet
The silver sound is all around and the colors fall like snow
The feeling of letting go, I guess we'll never know
Cheer up and dry your damp eyes and tell me when it rains
And I'll blend up that rainbow
Above you and shoot it through your veins
'Cause your heart has a lack of color
And we should've known
That we'd grow up sooner or later
'Cause we wasted all our free time alone
Your nerves gather with the altitude
Exhale the stress so you don't come unglued
Somewhere there is a happy affair, a ghost of a good mood
Wide eyed, panic on the getaway
The high tide could take me so far away
VCR's and motorcars unite on the seventh day
A popular gauge will measure the rage of the new post modern age
'Cause somewhere along the line all the decades align
We were the crashing whitecaps on the ocean
And what lovely seaside holiday away
A palm tree in Christmas lights, my emotion
Struck a sparkling tone like a xylophone
As we spent the day alone
