

Party Girl

Rachel Sweet

Little girl
Where do you keep those rhinestone eyes?
Little girl
Where do you hide those paper smiles?
In some secret file?
You keep your heart locked tight
But every night you let a stranger into your room
Ooh-ooh-ooh-ooh

'Cause you wanna be a party girl
A party girl, tonight
You say you're gonna be a party girl
A party girl, tonight
Don't let him touch your heart
Don't let him touch your soul
Don't let him know you save it all for rock 'n' roll
Don't let him touch your world, baby
You're a party girl
Don't let him touch your world, baby
You're a party girl

Little girl
Look in the mirror, tell me, what do you see?
Little girl
Where are the heroes you wanted to be?
With all of your visions in white
Yeah, well there ain't no magic guy when it all comes true
Ooh-ooh-ooh-ooh

'Cause you wanna be a party girl
A party girl, tonight
You say you're gonna be a party girl
A party girl, tonight
Don't let him touch your heart
Don't let him touch your soul
Don't let him know you save it all for rock 'n' roll
Don't let him touch your world, baby
You're a party girl
Yeah, yeah, yeah

Don't let him touch your world, baby
You're a party girl
Yeah, yeah, yeah, yeah, yeah, yeah
Touch your world, baby
You're a party girl

'Cause you wanna be a party girl
A party girl, tonight
You say you're gonna be a party girl
A party girl, tonight
Don't let him touch your heart
Don't let him touch your soul
Don't let him know you save it all for rock 'n' roll
Don't let him touch your world, baby
You're a party girl
Yeah, yeah, yeah
Don't let him touch your world, baby
You're a party girl
Yeah, yeah, yeah, yeah, yeah, yeah
Touch your world, baby
You're a party girl
Yeah, yeah, yeah
Don't let him touch your world, baby
You're a party girl
Yeah, yeah, yeah, yeah, yeah, yeah
Touch your world, baby
You're a party girl
(Such a party girl, you're a party girl)
Ooh, baby (party girl, such a party girl)
(You're a party girl, party girl)
(Such a party girl, you're a party girl)
(Party girl, such a party girl)
(You're a party girl, party girl)
