Invisible

Passafire

So precise the device, out of mind out of sight
It's the ghost of a light that will shine in your eye,
When the past doesn't last you'll never go back
You'll just keep wanderingYou'll feel invisible
You're not invincible
You'll feel invisble
You're not invisible
Why can't i see you?
So precise the advice it's a wrong not a right
Its the slice of a pie that you cut with a knife
when the road doesn't go, you can't always go back
Just keep wandering.
You'll feel invsible
You're not invincible
You'll feel invsible
You're not invisible
Why can't i see youWhy can't I see you?
