

Go Away

[Reset](#)

hope you understand that we dont give a shit what you demand your values never meant anything to us we dont give a shit petitions signed parents standing in a line just to stop their kids who wanna hear what we have to say when you were a little younger your dream was to become a rocker now it seems that its what you hate i never will go to hell 'cause my friends want me to tell what you do is what i hate i hate you go away i dont want you on my tape go away i dont want you in my face go away i dont want you on my tape fuck the pmrc tipper wont you understand the message that i wanna say its kinda rude but here it goes its fuck you i dont like what you do and i dont like you go away i dont want you on my tape go away i dont want you in my face to away i dont want you on my tape fuck the pmrc
