

Rebel (Remix)

Blue Rodeo

Out on the streets every night
Going out of my head.
Caught in a midnight parade
That I wish I wasn't in,
I'm running away with nowhere to hide
Caught in a world just four lanes wide
Everyone thinks of themselves
But I'm thinking of you. And it's all for a rebel
And it's all for a rebel Spent last night falling in love
With a girl in room five.
People 'round here are different
We lead desperate lives,
No, the same moon rising over your head
Is catching me wasted, worn-out and dead
Everyone's watching themselves,
But I'm watching you. And it's all for a rebel
And it's all for a rebel, yeah Out on the streets every night
Going out of my head.
I'm caught in a midnight parade
That I wish I wasn't in
No, the sun that's rising over your head
Is catching me wasted, worn-out and dead
Everyone thinks of themselves,
But I'm thinking of you And it's all for a rebel
And it's all for a rebel
Rebel, rebel, yeah
