

# Holy Moment

[Matt Redman](#)

As we come today we remind ourselves of what we do  
That these songs are not just songs but signs of love for You  
As we come today we remind ourselves of what we do

That these songs are not just songs but signs of love for You  
This is a holy moment now, something of heaven touches earth  
Voices of angels all resound, we join their song  
Come, come, come, let us worship God  
With our hands held high and our hearts bowed down  
We will run, run, run through Your gates O God  
With a shout of love, with a shout of love  
Lord with confidence we come before Your throne of Grace  
Not that we deserve to come but You have paid the way  
You are the Holy King of all, heaven and earth are in Your hands  
All of the angels sing Your song, we join them now  
Come, come, come, let us worship God  
With our hands held high and our hearts bowed down  
We will run, run, run through Your gates O God  
With a shout of love, with a shout of love  
Let this be a holy moment now, let this be a holy moment now  
Let this be a holy moment now, let this be a holy moment now  
Come, come, come, let us worship God  
With our hands held high and our hearts bowed down  
We will run, run, run through Your gates O God  
With a shout of love, with a shout of love  
Come, come, come, let us worship God  
With our hands held high and our hearts bowed down  
We will run, run, run through Your gates O God  
With a shout of love, with a shout of love  
With a shout of love, with a shout of love  
With a shout of love, with a shout of love  
With a shout of love, with a shout of love  
Let this be a holy moment now  
Let this be a holy moment now  
Let this be a holy moment now  
Holy moment now...
