

First Time

Halloween

Will your first time
Will it be
I think of someone like me?
Makes me wonder
I can show you things
You'd never thought you'd see
You're like sunshine
I can feel your heat is drying out my brain
Would you feel like
Like we're having fun if I can do the rain?
Have you thought of your dreams
Do you have some?
Let's see if we can find some more
Give me your fancies at random
I think we can deal with 'em all
I can't wait forever
Baby open me your door
I just want your loving
If you cannot give me more
I can see you standing there
You know you're worth the try
Let me guide you in my spaceship
And I'll surely make you
Have a real good time
Don't waste time now
You are soakin' wet so fix
The things you got
Guess you know how
And when you're done
I gotta see you strut
My desire
Can I watch you rock and
Know which one to choose?
I'm no liar
I could take you down
And you got nothing to lose
I don't know any better occasion
Can't hold back, it's the end of the day
I don't think you're here for the first time

No problem with me anyway
I can't wait forever
Baby open me your door
I just want your loving
If you cannot give me more
I can see you standing there
I know we have a try
I can feel this night is special
And I surely make
You have a real good time
I can't leave you standing there
You know we have a try
I can feel this night is special
And I'll surely make
you have a real good time
