Water (feat. Frontstreet)

Joe Gifted

Water lyrics

[Bridge: Frontstreet]
These hoes thirsty, need water
Wrist game on water
Neck piece on water (repeat)
Stay down stay down
Come up, you come up
In that order

[Hook: Joe Gifted]
It's been a long time, long grind
Time to shine, gotta get rich
Fuck these niggas, fuck these bitches
Ain't got time for y'all bullshit
I want a big bad, big bag, big house, big stash, a lot of cash
Kid straight, fam straight
I ran it up, you know I get a lot of that

[Verse 1: Joe Gifted]
Fam straight, kid straight
Rent paid, got it on my 10k
New look , temp fade
Bad bitch with me, Kim K
Money calling pick up or jumpman 23 MJ
Ain't going back to jail, that's a no, no no Dikembe

[Bridge: Frontstreet]
These hoes thirsty, need water
Wrist game on water
Neck piece on water
Stay down stay down
Come up, you come up
In that order
