

Water (feat. Frontstreet)

Joe Gifted

Water lyrics

[Bridge: Frontstreet]

These hoes thirsty, need water

Wrist game on water

Neck piece on water (repeat)

Stay down stay down

Come up, you come up

In that order

[Hook: Joe Gifted]

It's been a long time, long grind

Time to shine, gotta get rich

Fuck these niggas, fuck these bitches

Ain't got time for y'all bullshit

I want a big bad, big bag, big house, big stash, a lot of cash

Kid straight, fam straight

I ran it up, you know I get a lot of that

[Verse 1: Joe Gifted]

Fam straight, kid straight

Rent paid, got it on my 10k

New look , temp fade

Bad bitch with me, Kim K

Money calling pick up or jumpman 23 MJ

Ain't going back to jail, that's a no, no no Dikembe

[Bridge: Frontstreet]

These hoes thirsty, need water

Wrist game on water

Neck piece on water

Stay down stay down

Come up, you come up

In that order
