

# Thank You

## Descendents

I listen to you for hours, I'll listen all day  
Just keep hitting me the right way  
Sing your song in the shower  
Cause you got a way  
To say what I can never say right - right on  
When I feel weak you make me feel strong  
Make me feel strong I won't say your name  
But you know who you are  
I'll never be the same again now - no way  
I just want to say  
Thank you for playing the way you play You don't get played on the radio  
That's not the game you play  
Well I don't care anyway  
I glued your tape in the stereo  
So I know every word, every note  
And every chord is right - right on  
When I feel weak you make me feel strong  
Make me feel strong feel like nothing's wrong I won't say your name  
You know who you are  
I'll never be the same again now - no way  
I just want to say thank you for playing the  
Way you play Did you know you're why I go  
And waste my time  
At a rock and roll show  
You let me know I'm not alone  
You make me feel strong, make me feel strong,  
Feel like nothing's wrong I won't say your name, you know who you are  
I'll never be the same again now - no way  
I just want to say  
Thank you for playing the way you play  
Thank you for playing the way you play  
Thank you for playing the way you play
