So Bad

Lindsay Pagano

There is a pain inside my heart
You mean so much to me
Boy I love you, yeah love you so bad
And if you leave the pain I will go
But that's no good to me
Boy I love you so badWell it feels so good
Sometimes it feels so bad
This is worse than anything I've ever hadThere was a pain but now you're near
And I don't fear a thing
Boy I love you, yes I love you
Boy I love you, yes I love youWell it feels so good
Sometimes it feels so bad
This is worse than anything I've ever hadThere was a pain but you're here
And I don't fear a thing
'Cause I love you, yes I love you so bad
Boy I love you, yes I love you so bad
I love you, yes I love you so bad
