Bra

Cymande

Time has been lost in trying
We have been left outside
Looking at passions dying
Emotions grow strong all the timeBut it's alright, we can still go on
But it's alright, we can still go on
But it's alright, we can still go on
But it's alright, we can still go onThey might have said we're lying
No matter how hard we try
Those that are watch them crying
So as the helpless die
But it's alright, we can still go on
But it's alright, we can still go on
But it's alright, we can still go on
But it's alright, we can still go onTime has been lost in trying
We have been left outside
Looking at passions dying
Emotions grow stronger all the time
But it's alright, we can still go on
But it's alright, we can still go on
But it's alright, we can still go on
But it's alright, we can still go onAlright still go on
Alright still go on
Alright still go on
