Raised On You

Heart

You are the only one
You save me from myself
My company shows on me
I've been raised on you
I've been raised on you
I've been raised on youAnd when it ain't no fair
Nothing's left to do
But sit down here and have a beer
Whatever the world wants to choose
Whatever, whatever, whateverDon't let it fade
Don't trade love away
Just keep a, keep a
Keep a sweet dream trueLet's go tell the world
To quit turning cold
Just let me be raised, let me be raised
Raised on youDon't have to change just now
We can laugh about the load
I can see us later, lighted eyes
Likely be laughing
Down, down, down, down the roadI've been raised, raised, raised
Raised, raisedOh, oh, oh
I've been raised
I've been raised
I've been raised
Raised, raised, raised
