

# Doggie Tom

## Lords of Acid

Every time I get naked  
My doggy sees it all  
He always gets excited  
'Cause I'm his squeaky dollHe's a horny little bastard  
He's drooling from his tongue  
I rub myself with candy  
Gonna lure him with a boneTom Tom - doggie Tom - got a bone for a job welldone x3  
Tom Tom - doggie Tom - You make me come TomWhen I take him walking  
With his studded jacket on  
He's a macho little puppy  
I pet him for a job well doneHe don't care much for bitches  
They ain't his cup of tea  
He loves his little pussy  
And that pussycat is meTom Tom - doggie Tom - got a bone for a job welldone x3  
Tom Tom - doggie Tom - You make me come TomHe's always feeling kinky  
Oh yes he loves to play these games  
On Sundays he's my doggy  
On Monday he's my slaveI'm willing and I'm able  
To turn my baby on  
As long as he feels happy  
He can be whatever he wants[Repeat: x3]  
Tom Tom - doggie Tom - got a bone for a job well doneTom Tom - doggie Tom - You make me come Tom
